What has happened to this case
Rec 29/7/48

Honoured Sir,

We respectfully beg to submit that objections were called for in the Mysore Gazette dated 22 2 1948 with notification No L 12800 -Ml 15 -47 -38 relating to the acquisition of House door No 670, Saligrama, Mysore District, and an objection petition was filed by the Anjuman -E - Islamia, Saligrama setting forth the various grounds on which they objected to the acquisition of the said property on 20th May 1948 to the Revenue Sub Division Officer, Mysore A copy of the grounds for objection to the acquisition is herein enclosed for kind and ready reference

The Revenue Sub Division Officer in his endorsement No R 3 L A P 42 of 46 -47 dated 15 7 1948 intimated to us that the grounds are not tenable and rejected the objection petition (copy enclosed)

In this connection we beg to state that the Sub Division Officer had issued the endorsement without enquiry or personal inspection of the spot; an ordinary and usual procedure in such cases

We thereupon approached the Deputy Commissioner of Mysore and the Deputy Commissioner, Mysore also without enquiry or inspection followed the Sub Division Officer's finding and endorsed us to the same effect viz, that the objections are untenable (Vide No D 4 - L A 95 of 47 -48 dated 14-7-1948 Copy enclosed for reference) It may be mentioned here that the District Board President, Mysore, Sri H M Channabasappa visited the

the village and the spot on 10.6.1948 to whom we explained the case and he was pleased to assure us that the place was unsuited for the Town Hall and further told us that he would also write to the Deputy Commissioner,Mysore in the matter We are not aware as to what the District Board President,Mysore wrote to the Deputy Commissioner of Mysore,but we can assure you,honoured sir,that the place being sacred to the Muslims,whose religious feelings are always respected by our enlightened Government,we pray that the place may not form the subject matter of acquisition particularly for a public Town Hall where the Muslim Citizens have also equal rights and identical obligations for its constructions.

All that we desire is that further action for acquisition may be dropped in this respect,for which act of graceful tolerance the Muslim community will ever be grateful to the Government

We therefore request your goodself to personally visit the place, see it for yourself whether our objections are real and tenable There is land enough and space more suited and better suitable for the location of a public building as Town Hall which may be fixed leaving this place which is sacred to us

We are confident that your goodself will kindly visit the place as early as it is convenient to you and make the necessary enquiries to satisfy your goodself. Even a number of Municipal Councillors and the General Public of Saligrama have protested against the location and construction of the Town Hall in this place It is not known to us why inspite of the unsuitability of the place for the location of the Town Hall in this place , the objection of the General public of Saligrama for its location elsewhere,than in this place,the possibility of hurting the religious feelings of the Muslim community,the Sub Division Officer

Subject: Notification No.L 12800-Ml.15 -47-38 dated 23 1 1948, in the Mysore Gazette dated 22 4 48

Re : Acquisition of house property No.K 670, Saligrama Village, Saligrama Hobli, K R Nagar Tq Mysore District, for construction of a Town Hall.

The following are the objections for the acquisition of the above property.

1 That the property has been in the possession of the Mosque and its exclusive enjoyment since about 60 years.

2 That the shops attached to it forms the chief source of income to the Mosque.

3 That it contains the Tomb of Meer Meeran Saheb, a saintly person, quietly venerated by the Muslims of the place even to this day.

4 That about 8 years back when there was a proposal to convert this place into a park the Municipality rejected it having regard to the sacred Tomb therein

5 That it is a surprise how the Municipality itself has brought up the proposal.

6 That the acquisition tends to wound the feelings of the members of the Mosque and community and having regard to the sacred tomb therein it should not be meddled with

7. That the donor of the building who was a religious head of the Town, intended that this house should remain as the community's property in view of the existence of the tomb of Meer Meeran saheb and also in view of the permanent income of the building

8 That the building is also not suitable for the construction of the Town Hall as there is very little space. The public desire that the shandy place should be chosen for the purpose This locality has been the choice of only a few people in the Town The majority are against it

9 The building is situated in a busy locality and is unfit for the construction of a Town hall It is worth more than Rs 15,000/-

10 That the Members of the Mosque have purposed to locate in the building the Anjumane Islamia Urdu Public Library and Reading room after effecting necessary improvements and repairs which is pending due to non grant of the licence by the Municipality Vide our license application No D 59/46 -47 dated 28-6-47 to the Municipality and application D9/ 47 -48 dated 21.8.47 addressed to your goodself.

3 After filing his objection statement the petitioner was awaiting intimation of a further hearing before the subdivision officer for an pppertunityto urge his objections, but the Subdivisioner officer never heard the petitioner is support of his objections All on a sudden and without hearing the petitioner, the Subdivision officer it is now learnt on casual enquiry, has already forwarded his recomendations in the matter to Government through the Deputy Commissioner

4 On 21-5-48 the day fixed for filing the objections, the Subdivision officer was reposrted to be out of headquarters and the statement was therfore filed in his office The petitioner has not had an oppertunity to urge his objections and there has been no enquiry o f any kind The proceedures adopted by the Subdivision officer is contrary to the express provisions of Sec, S A OF the Land Aqusition act.

5 The reasons why the plot sought to acquired for eredting the town hall is unfit for the purpose are detailed in the petitioners objection statementwhich it has already been prayed, may be treated as part of the petition.

6 The townhall is to be erected mainly out of a donation made by one

Sri, Gunapaliah of Saligrama, The Donor has not been of cordial terms with the petitioner It is with the object of depriving the petitioner of hfs proerties in saligrama that the said donor has been working with the assissaantance of several others in the village A large number of the petitioners properties have already been acquired b y the Govt, for various purposes so far and now again, and then valuable property has been got notified

The petitioner files this Review petition against the endorsement No L 5453 dated 18/11/1948 issued by the General and Revenue Secretariat and pra s that the appeal of the petitioners may kindly be reviewed in the light of the following among the other grounds -

-- G R O U N D S --

1) That the minor Municipality, has resolved definitely with ulterior motives to acquire the particular land in question for the Town Hall

2) The only one Muslim Municipal member who even is only nominated by Government has consented for the proposal, with a clear vengence against the Muslim Association for having taken up drastic action against him for the misappropriation etc And it needs no say that he cannot be a true representative of the Communal representation

3) That the proposed place is a wakf property, endowed to the comunity

4) That the place is a Time-honoured religious place with a Tomb within that and where the communal and religious offerings are made The acquisition of such area is against law and fair principles of Society and justice

5) That such acquisition affects seriously the Minor Muslim Community, unless the popular Government Safe-guards their interests

6) That the place is unsuited for the purpose being utmost close to the marshy water ridge of the tank surrounded by unclean atmosphere, infested with mosquitoes and insects Moreso, is the place over looking the cremation grounds of the town

7) That better suitable areas are available in town with airy and desirable atmosphere

Review petition No of 1948-49

PETITIONER -- Muslim Population of Saligrama, Krishnarajanagar Taluk, by their Secretary S M J Sifathy

(vs)

RESPONDENT:- Minor Municipality, Saligram Krishnarajanagar Taluk, Mysore Dist

The petitioner files this Review petition against the endorsement No L 5453 dated 18/11/1948 issued by the General and Revenue Secretariat and prays that the appeal of the petitioners may kindly be reviewed in the light of the following among the other grounds:-

-- G R O U N D S --

1) That the minor Municipality, has resolved definitely with ulterior motives to acquire the particular land in question for the Town Hall

2) The only one Muslim Municipal member who even is only nominated by Government has consented for the proposal, with a clear vengence against the Muslim Association having taken up drastic action against him for the misappropriation etc And it needs no say that he cannot be a true representative of the Communal representation

3) That the proposed place is a wakf property, endowed to the comunity

4) That the place is a Time honoured religious place with a Tomb within that and where the communal and religious offerings are made. The acquisition of such area is against law and fair principles of Society and justice.

5) That such acquisition affects seriously the Minor Muslim Community, unless the popular Government Safe guards their interests

6) That the place is unsuited for the purpose being utmost close to the marshy water ridge of the tank surrounded by unclean atmosphere, infested with mosquitoes and insects Moreso, is the place over looking the cremation grounds of the town

7) That better suitable areas are available in town with airy and desirable atmosphere

MEMORIAL MOST RESPECTFULLY AND LOYALLY SUBMITTED TO HIS HIGHNESS THE MAHARAJA OF MYSORE - MYSORE STATE
****
BY

REPRESENTATIVES OF PEOPLE OF SALIGRAMA VILLAGE

THROUGH THE PRIVATE SECRETARY TO
HIS HIGHNESS THE MAHARAJA OF MYSORE

MAY IT PLEASE YOUR HIGHNESS'

We, the undersigned representatives of the people of Saligrama village, most humbly and respectfully submit the following facts for Your Highness's most gracious consideration and for suitable favourable orders being caused to be passed by Your Highness's benigh Government

The village of Saligrama contains about 1000 houses of Hindus and about 40 houses of Muslims and there has been amity and concord between the two communities from times immemorial

The Government, in their notification No L 12800/M1 15-47-38/23-1-1948 have stated that the house bearing Khaneshumari No 670 belonging to the Jumma Masjid will be acquired for the purposes of putting up a Town Hall building. We most respectfully and humbly submit that this notification has been issued on the mis-representation of a few self-interested persons who have said that the above place is best-suited for Town Hall building

But the facts are different We had submitted to the Government both orally and in writing that the present Santhemala would be best-suited for Town Hall building and that there would be no hardship to anybody since the Santhemala is proposed to be shifted to another place We understand that the Government is very likely to sanction the change of place

The house proposed to be acquired was donated by a Musslman Saint by name Hajee Syed Abdul Latif alias Kardari Saheb, to the Jumma Masjid, about 50 years ago, and within the precincts of the Masjid, there is a Tomb of a great Saint The tradition is that the house and the Tomb are having a benevolent effect on the Muslims and other devotees Ever since the publication of the above-said Notification by the Government, the Muslims have been representing to the various authorities of the Government to cancel the acquisition,but in vain We, the Hindu population of the Saligrama village, are feeling the spell of a curse over us since the date of the notification and we are of firm conviction that it augurs no good to the village if the said house of Jumma Masjid is acquired solely to please a few sacro-sancts of the place who are working for it in their own selfish interests and with a view to spite the Managing Members of the Jumma Masjid, who might have exposed them in their shallowness and dishonesty

We feel it is presumptuous on our part to say that the house and the tomb which are held sacred as an attache' to the Jumma Masjid, if demolished, would not only reflect against the good taste of the Government, but also against the sentiments of all the Hindu inhabitants of the village

We most humbly and loyally beg to state that Your Highness has been the source of strength, comfort and happiness to us Your Highness has been the fountain source of justice, toleration and peace We humbly and respectfully pray that, when we have made common cause with the grievance of the Muslims regarding the acquisition of the said house for the construction of the Town Hall, Your Highness may be graciously pleased to direct that the acquisition of the said house may be dropped in the interest of harmony, goodwill and peace of the two communities
